Excerpt from Athletics Mission Statement

The role of the athletic program is to support the overall University mission. Intercollegiate competition has been an integral part of higher education in America for more than a century. The University endorses the concept of "Athletics as Education" described in the policy statement adopted by the American Council on Education in 1984, which cites key contributions of athletics to the individual, the institution, and society as a whole, as follows:

"Among these contributions are the development of discipline, teamwork, and self-confidence of individuals who participate, the improvement and substance of institutional reputations and morale, and the heightening of visibility that aids in recruitment of students and financial contributions." The basic premise underlying these very positive contributions is that athletics is, and must continue to be, an important part of the educational process.

The Office of Sports Information at Lynn University, under the direction of Ross Blacker, is responsible for the day-to-day publicity efforts of its 12 NCAA Division II sports for men and women. The primary functions of the Lynn University Sports Information Office are to service and accommodate the media in its coverage of the entire intercollegiate athletics department.

The Sports Information Office, located in the de Hoernle Center, handles a myriad of press services, including, but not limited to, the issuance of credentials, the publication of media guides, game programs and press notes as well as maintaining statistics and upkeep of the website.

Members of the Sports Information Office will assist you with any day-of-game needs, including player and coach information, in-game statistics and post-game notes and quotes. Journalists and media covering Lynn University Athletics benefit from working in a professional and comfortable environment.

Members of the Sports Information staff are on call virtually every day of the year, 'round the clock in an effort to enhance the coverage of Lynn University athletics.

Please kindly adhere to the following guidelines when covering Lynn University athletics during the 2004-2005 academic year.

Gameday Services

Prior to all home contests, members of the media will be supplied with the latest information including up-to-date statistics, current rosters, media guides and game notes when applicable. At halftime and following each contest, statistics will be furnished as well. Media members needing space to file post-game stories will be provided a desk and phone lines somewhere in close proximity to the site of the event. A fax machine will also be provided to members of the media as well.

Gameday Interview Procedures

Following the NCAA-mandated 10-minute cooling-off period Lynn University coaches and student-athletes will be made available to address the media post-game. Members of the media should inform a Lynn University Sports Information representative as to whom they wish to speak with following the game to make the process flow smoothly. As a general rule all Lynn coaches and student-athletes will be unavailable for comment on gamedays prior to the start of competition. The interviews will generally take place in a pre-determined area adjacent to or in the immediate

proximity of the particular team's locker room or bench area. Every effort will be made to make visiting coaches and student-athletes available to the media as well. All locker room facilities and the training room are off limits to the media at all times.

Non Gameday Interview Procedures

As a general rule, all interviews with Lynn University coaches and student-athletes should be arranged through the Sports Information Office with at least 24 hours notice given. Coaches can normally be contacted in their offices during the mornings while interviews with student-athletes are encouraged to be conducted either prior to or following practice. As a general rule, all Lynn University practices are open to the media and public but are subject to closure at the discretion of the head coach or athletics administration.

Credentials

Credentials for all Lynn University home contests are available to members of the working print and electronic media. Simply contact the Sports Information Office to be credentialed. For members of the local media, all-sport credentials will be issued.

In Cyberspace

Lynn University athletic information including, but not limited to, rosters, schedules, statistics, releases and game notes can be accessed through the University's official website at www.lynn.edu. Information of Lynn University's Sunshine State Conference opponents can be accessed through the SSC's official website at www.ssconference.org.

NCAA Guidelines and the Media

Media members should be aware of several NCAA Rules that apply to student-athletes. If there is ever a question if any media-related activity or event involving a Lynn University student-athlete could evolve into a possible NCAA violation, contact the Office of Sports Information for an interpretation. Areas of concern include:

Coaches and University Officials cannot make comments on prospective student-athletes until they sign a National Letter of Intent. A coach cannot comment on a prospective student-athlete who verbally commits to an institution. Moreover, the Office of Sports Information cannot release any information of prospective student-athletes until a signed National Letter of Intent is received.

Coaches and athletic staff are not permitted to write guest columns for publications.

Do not ask student-athletes to endorse products.

Commercial photographers cannot provide student-athletes or their families with images free of charge.

Student-athletes may not be used in advertisements or endorsements of products, including media-related publications or on radio.

Student-athletes are not permitted to conduct interviews for 1-900 services.

Head Coach
Ginny Kelly
First Season

It's just a matter of time, nobody said it is going to be easy, national powerhouses are not built overnight, patience is a virtue. Embarking on her first season at the helm of the Lynn University head volleyball coach **Ginny Kelly** is more than ready to put her stamp on the Fighting Knight fortunes. An ultra-successful coach at the high school and club levels for over a decade, Kelly assumed control of the LU program in mid-December of 2003. Instilling a work ethic and commitment to improvement the program has never seen, Kelly worked diligently with her new team in the off-season, seeing it get better and better as each day passed. Armed with 12 returning letterwinners, the rookie coach is ready to lead her squad up the Sunshine State Conference ladder. How much immediate success the Blue and White experiences is open for debate yet the chances of the team becoming stronger in the long run is as close as one can get to a certainty.

"We are excited for this season, there's no question," Kelly, who led Boca Raton's Olympic Heights High School to eight state championships including seven in a row from 1996-2002, said. "We have a good nucleus of players who are all competitive and realize that they need to get better. It was a struggle at the beginning of the spring but towards the end everyone started to come around. There's not one person in our program that doesn't want to win. Now it's just a matter of doing

the things necessary both in practice and on the game floor to achieve our goals."

With just one senior on the 2004 roster, Kelly will have the opportunity to mold a group of young players into an exciting and potent bunch.

**Sophomore Setter
Erica Hardy**

Shelby Vollmer, the only Fighting Knight senior, will look to pick up where she left off in 2003, earning second team All-SSC honors. Mainly used as a libero, Vollmer led LU in digs while becoming the school's all-time leader in the category.

Her 577 digs in 2003 marked the first time in the eight-season run of Lynn volleyball that a player has recorded 500-plus digs. A three-year letterwinner, Vollmer will be counted on by her first-year coach to provide leadership and direction.

Sophomore **Erica Hardy**, who fell one set assist shy of establishing a new LU single-season record (1,262) will contend with junior **Jessica Woodby** for time at the setter position. A member of the SSC's All-Freshman team in 2003, Hardy spent most of her rookie season in Boca Raton quarterbacking the team's offense. The Shephardsville, Ky. Native saw action in 36 matches, averaging 9.9 assists per game. A transfer from Division I member Tennessee-Chatanooga, Woodby was hampered by injuries during her first season in a Lynn uniform last fall. One of Lynn's most athletic and versatile performers, she is coming off a solid spring and figures to challenge Hardy for the starting setter position.

"Both Erica and Jessica are strong players and it's my challenge as a coach to find a place for both of them," Kelly said. "I think you could see us go to a six-two on occasions to get both of them in there. Both of them will see the court a lot, they both bring different strengths to the table but most of all they are excellent young women and fierce competitors."

Up front, Lynn will look to compensate for the

**Sophomore Outside Hitter
Kelly MacDonald**

loss of Michele Newman, the team's lone senior in 2003. One of the most decorated performers in LU volleyball history, Newman was often the focal point of the Knights' attack in 2003, leaving the program as its all-time leader in kills and total blocks. While she won't have Newman, Kelly will have a number of talented and experienced performers at her disposal both in the middle and outside.

Statistically speaking, sophomore **Larissa Witherspoon** is Lynn's most potent returning offensive weapon. Standing just 5-foot-7, the second-year player from Ormond Beach, Fla. saw action in 36 matches as a rookie, compiling 263 kills. Her athleticism and ability to put herself in the right place at the right time makes Witherspoon a valuable weapon in the Blue and White's offensive arsenal. Junior **Jessica Chick**, a player who has seen her production improve tremendously since arriving in Boca Raton, is LU's second-leading returning kill producer, putting down 249 balls as a sophomore while coming away with a team-best 89 total blocks. Other players who will compete for time on the outside include freshman **Kristen Peterson**, sophomores **Kelly Dankert**, **Kelly MacDonald** and junior **Teresa Daniels**. The team's lone rookie, Peterson is a product of nearby Pope John Paul High School. Known for her jump serve, Dankert produced 40 service aces in 32 matches of action as a freshman while

MacDonald played in 28 matches and produced 15 kills and 14 service aces. An explosive leaper who will also see time in the middle, Daniels played in 30 matches as a sophomore, notching 207 kills and 62 total blocks. Players who will contend

for court time in the middle include Chick, Daniels, sophomores **Brittany Bialowas** and **Holly McElwee**, and junior **Kailen Gonzalez**. A transfer from FAU, Bialowas played in 34 matches as a redshirt freshman in 2003, compiling 188

kills and 60 total blocks. A player whose best days are ahead of her, McElwee played in 17 matches as a rookie, registering 38 kills and accumulating eight total blocks. Now entering her third season in the program, Gonzalez stepped onto the court in 27 matches last fall, putting down 72 balls in the process.

"We have a lot of options up front," Kelly, who is inheriting a team which went 16-21 overall in 2003 and 3-11 within the confines of the Sunshine State Conference, said. "Our success is going to be dependant upon our ability to execute on offense. That starts with our ability to react well defensively, continues to our setters and ends with our hitters being able to finish points."

Kelly will make her LU coaching debut in late August as Lynn heads up I-95 to Jacksonville to take part in the UNF Pre-Labor Day Tournament. In Jacksonville, the Knights will tangle with Edinboro, Truman State and Wheeling Jesuit. Lynn will open its 18-game SSC schedule on Sept. 22 across the net from Rollins. Other non-league adversaries Kelly managed to schedule include Embry-Riddle, Florida Gulf Coast and Palm Beach Atlantic.

Ginny

Kelly**Head Volleyball Coach****Adelphi '89**

There's no doubt about it, the lady knows how to produce champions on the volleyball court. One of the most decorated high school volleyball coaches in Florida history, Ginny Kelly begins her first season in the collegiate ranks overseeing the Lynn University volleyball program. Kelly comes to LU following 13 seasons at the helm of the Olympic Heights volleyball program. From the day she arrived at Heights until the time she left, all the Lions did was win, a trend she hopes will continue with the Fighting Knights.

The head girl's volleyball coach at Olympic Heights since 1991, Kelly built a virtual dynasty in Boca Raton, accumulating a mind-boggling 387-40 (.940) record during 13 seasons at the helm. After guiding her team to a state title in 1993, Kelly really began to get things going, leading Heights to the Florida state record seven straight titles from 1996-2002. In the process, she earned nearly every Coach of the Year award possible on multiple occasions and was recognized as the National High School Coach of the Year in 2000. Some 50 players who learned under her at Olympic Heights went on to play collegiate volleyball at the NCAA Division I, II and III levels.

The Commack, Long Island product was a four-time letterwinner in both field hockey and basketball at Adelphi, graduating in 1979. Immediately following graduation, she was chosen as the Panthers' head field hockey coach, a position she held until 1981 at which time she relocated to South Florida. Upon her arrival in the Sunshine State, Kelly worked with the Florida Gold Coast Volleyball Club beginning in 1984 and four years Kelly ago founded the Palm Beach Volleyball Academy Club. During her time with at the club level, Kelly's

teams have been regulars on the national stage, appearing in the Junior Olympics every summer from 1990-1999 and again from 2001 through this past summer.

Born Virginia Mary Kelly in Queens, New York she currently resides in nearby Delray Beach. Away from volleyball she enjoys cardio workouts, scrapbooking and photography. She lists seeing student-athletes improving everyday as the most satisfying part of collegiate athletics.

Jim **Roberts** Strength and Conditioning Coach Baylor '98

Jim Roberts begins his first year overseeing the strength and conditioning efforts of the Fighting Knight volleyball program. Roberts arrives at LU alongside coach Ginny Kelly as

he spent six seasons as her strength coach at Olympic Heights High School.

Roberts received his Master of Science degree in Exercise Physiology from Florida Atlantic University and his Bachelor of Science in Health and Fitness from Baylor University. He is certified as a Strength and Conditioning Specialist through the National Strength and Conditioning Association, a Biomechanics of Resistance Training Specialist through the Cooper Institute for Aerobic Research, and holds a Club Coach certification from the United States Weightlifting Federation. Roberts is a published researcher and chapter co-author who serves as a continuing education provider for: the National Strength and Conditioning Association (NSCA), the

National Athletic Trainers Association (NATA), the National Academy of Sports Medicine (NASM), the American Council on Exercise (ACE), and several state boards for physical therapy. His broad experience in the health science field has ranged from the clinical setting writing pre-and post-operative orthopedic strength prescriptions, to strength and conditioning athletes from every level.

A consultant for institutions such as the world renowned Cooper Institute for Aerobic Research, he travels extensively providing lectures on various aspects of functional training and human performance. Roberts has served as a strength and conditioning coach for Baylor University, The Chris Evert Tennis Academy, nationally ranked Olympic Heights High School Volleyball, St. Thomas Aquinas Volleyball and Basketball, Pine Crest Volleyball, West Boca High Volleyball, Western High School Basketball, and numerous others. Jim is currently the director of *FLIGHT* Jump School a strength and conditioning program that produces South Florida's top volleyball and basketball athletes.

Dr. Donald E. Ross **President**

Donald E. Ross has served as President and Chief Executive Officer of Lynn University since 1971. Cited by such publications as *Forbes* and *Florida Trend* as an innovator in higher education, Dr. Ross' success with Lynn University is the result of partnerships he forged with local business, community and international leaders.

Dr. Ross came to Boca Raton in 1971 from Wilmington College in Wilmington, Delaware, which he founded with his wife, Helen in 1967. He served as the first President and Chief Executive Officer of Wilmington College, which now offers graduate and undergraduate degrees to over 7,000 students on six campuses throughout the state.

Under Dr. Ross' leadership, Lynn University has grown into an institution of great multicultural dimension and international prestige. Currently, Lynn enrolls nearly 2,500 students representing some 44 states and over 90 countries. His extensive interaction with the Irish-American communities in both the United States and Ireland led to the establishment of the American College Dublin.

Active in community affairs, Dr. Ross sits on the Board of Directors of the Florida Endowment Fund. He is a former Trustee of the Boca Raton Community Hospital, and has served on both the Economic Council of Palm Beach County and the Cultural Executives Committee of the Palm Beach County Council of the Arts.

In 1992, Dr. Ross received the Greater Boca Raton Chamber of Commerce Industrialist of the Year Award. And in 1996, the City of Boca Raton declared "Donald and Helen Ross Appreciation Day" in honor of the couple's 25 years at Lynn University. He was named "Bridge Builder of the Year" in 1999 by the League for the Education Awareness of the Holocaust (LEAH). His other honors included being named Man of the Year by the City of Hope and receiving the Boy Scouts of America Leadership Service Award.

In 1994, Dr. Ross received an Honorary Doctorate of Humanities degree from St. Petersburg University of Humanities and Social Sciences in St. Petersburg, Russia. In 2002 he was awarded the Order of Rio Branco, Degree of Commander, by government of Brazil.

Dr. Ross holds both Bachelor of Fine Arts and Doctor of Laws degrees from New York Institute of Technology and a Master of Science in Education from Hofstra University. He and Helen have a son, Kevin, who resides in Boca Raton with his wife and two children. Their daughter, Ellen, resides in Wilmington, Delaware with her husband and son.

John McCarthy **Director of Athletics**

John McCarthy enters his third year at the helm of the Lynn University Athletics program. The fifth such person to serve as LU's Athletics Director, McCarthy assumed his current position in July of 2002. He previously served as an assistant men's basketball coach and as the school's Blue & White Club Director.

Under McCarthy's leadership, Fighting Knight teams have captured five Sunshine State Conference titles and one NCAA National Championship. The LU women's tennis team took home the SSC hardware in 2003 and 2004 with the men's tennis team claiming a SSC co-championship in 2003. The men's soccer team preceded its 2003 NCAA Division II National Championship with SSC regular season and tournament titles while the men's golf team became the latest LU team to sit atop the SSC

by winning the 2004 conference crown.

During his time overseeing Lynn's 12-sport athletics program, McCarthy has managed to keep department morale at a high level and motivate the administrative staff, coaches and student-athletes. A constant and familiar face at Lynn athletics contests, the enthusiastic McCarthy has also been present to see Fighting Knight student-athletes achieve tremendous success in the classroom. He has succeeded in continuing to motivate winning results both in the classroom while maintaining LU's role as a force to be reckoned with across the board in the SSC. During the fall of 2003, Lynn placed more student-athletes (42) on the SSC's Commissioner's Fall Honor Roll than any other league member.

Since his appointment, the athletics department has created a marketing plan, a random drug testing policy, a Policies and Procedures manual while implementing a Student-Athlete Orientation and additional methods of recognizing student-athletes.

Prior to his arrival in South Florida, the 1993 University of Delaware graduate spent seven seasons at Wilmington College, spending the last four as the head men's basketball coach. Upon joining the Lynn family, the 34-old McCarthy served as an assistant men's basketball coach and assisted in the President's Office before becoming Blue & White Club Director. With his leadership, the Blue & White Club saw its membership and donations double. In the meantime, he earned a master's degree in Sports and Athletic Administration from LU in 2002. He also successfully completed Leadership Boca and the National Collegiate Athletic Director's Association (NACDA) Leadership Conference.

Married to the former Christine Beach since July of 2002, McCarthy welcomed son Sean Patrick into the world on August 27, 2003. Away from work, McCarthy enjoys playing golf, spending time with his family, reading, traveling and following college sports.

Athletics Department Points of Pride

- ❖Lynn University teams have won 17 national titles...The Fighting Knights have come away with six NCAA championships and 11 NAIA national crowns.
- ❖Five different Lynn programs (women's golf, women's soccer, women's tennis, men's golf and men's soccer) have won national titles.
- ❖Four different Lynn programs (women's golf, women's soccer, women's tennis and men's soccer) have captured multiple national championships.
- ❖Knights consistently excel both in the classroom and in the competitive arena...Since 1996, over 1,600 semesters of 3.0 or better have been turned in by Fighting Knight student-athletes...On the average 104 LU student-athletes produce GPA's of 3.0 or better each semester (since 1996).
- ❖Since becoming a full-fledged member of the Sunshine State Conference in time for the 1998-99 academic year, Lynn teams have taken home 11 SSC titles...Two LU sports (men's soccer and women's tennis) have claimed multiple league titles.

Founded in March of 1975, the Sunshine State Conference has risen from a single-sport organization to become the Division II "Conference of Champions." Started as a basketball conference, the SSC has since grown steadily in sports played, membership and national prominence. A weekly check of national rankings in nearly any Division II sport proves the point as SSC member institutions consistently find themselves ranked amongst the nation's elite.

Now with nine full members, the SSC is the proud owner of some 57 NCAA Division II National Championships in baseball, men's basketball, men's and women's golf, softball, men's and women's tennis, men's and women's soccer and volleyball. The Orlando-based league recently added to its already full trophy case with Lynn capturing the 2003 men's soccer title and Rollins taking home top honors in women's golf.

The SSC currently crowns regular-season champions in baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, men's and women's tennis, women's volleyball, women's rowing and softball. The league currently administers season-ending tournaments in men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, men's and women's tennis and rowing. Conference members along with Lynn include Barry University (Miami Shores, Fla.), Eckerd College (St. Petersburg, Fla.), Florida Tech (Melbourne, Fla.), Florida Southern College (Lakeland, Fla.), Nova Southeastern University (Davie, Fla.), Rollins College (Winter Park, Fla.), Saint Leo University (Saint Leo, Fla.) and the University of Tampa (Tampa, Fla.).

Don Landry, the conference's second full-time commissioner announced his retirement at the end of the 2003-2004 academic year following 10 years with the SSC. Mike Marcil, who spent seven years at the helm of the North Central Conference, has been named as Landry's successor.

The epicenter of the Fighting Knight Athletics Department, the Count & Countess de Hoernle Sports and Cultural Center sits in the heart of the Lynn University campus. Completed in 1993, the Center is the home court for the LU volleyball and men's and women's basketball programs. Lynn's 17 National Championship banners hang proudly from its rafters. The de Hoernle Center houses four locker-rooms, two training rooms, laundry facilities and offices for nearly all of Lynn's coaches and administrators. There is retractable chairback seating on one side of the gym and a Blue & White Club hospitality room overlooking the playing floor. The front lobby is home to the Wall of Fame, a space which has plaques recognizing Fighting Knights National Championship teams. There are also six trophy cases in the front lobby, chock full of hardware claims by many of LU's 12 programs. The de Hoernle Center is not just used for athletics as the gym floor is converted at the start of each academic year for Orientation and utilized at its conclusion for Commencement. The first basketball game held on the floor came on Dec. 28, 1993 as the LU women downed Michigan-Dearborn 99-72. The LU men's team played its first game on the floor two days later, besting Findlay 103-93 on Dec. 30, 1993. The first-ever LU volleyball game at de Hoernle was on Sept. 12, 1996.

About Lynn University...

Lynn University is a private, higher education institution, located in prestigious Boca Raton, Florida. Founded in 1962, the university remains committed to: instilling academic excellence and the development of individual talents and interests, while providing students with a solid foundation for lifelong learning and the tools necessary to succeed in today's fast-paced, ever-changing global environment.

The university originally received accreditation by the Southern Association of Colleges and Schools in 1967 and has upheld the high standards of the committee ever since. The university, under the direction of a Board of Trustees, remains committed to the continuous development of academic programs that demonstrate the university's vision of global transformation, multicultural awareness and international exchange.

Currently, Lynn University offers bachelor's, master's, and doctoral degrees in more than 30 majors that are designed for traditional students, as well as the growing population of adult learners. Today, more than 2,000 students from 46 states and 93 nations come to receive Lynn University's unique learning experience and

educational value.

Lynn University provides an environment that is private and personal, as it is committed to student-centered learning, where faculty and staff provide individualized attention tailored for students of varying levels of academic proficiency. Faculty, staff and students contribute to an atmosphere that nurtures creativity, fosters achievement and values diversity. Additionally, a full range of academic and support programs are coordinated to serve the increasingly diverse needs of individual undergraduate and graduate students.

Lynn's academic curricula and programs are structured to provide a balance between the theoretical and the practical, along with opportunities to become involved in community-based organizations and industries. Education and service are fully integrated to meet the changing needs of the local and global community. This integrative design prepares our graduates to meet the dynamic needs of the emerging global society. Lynn University is proud of its tradition of educating men and women who assume positions of

responsibility as competent professionals and leaders in their chosen professions. Lynn University has fulfilled its purpose when graduates leave the institution having gained knowledge, confidence, competence, and imbued with a sense of values of self worth and the world in which they live.

An affiliated Lynn University may be found in Dublin, Ireland, and is called American College Dublin.

About the Campus...

Lynn University is situated on a picturesque 123-acre campus, landscaped with indigenous flowers and tropical trees among seven freshwater lakes. Students thrive in the university's state-of-the-art, contemporary facilities, which include: classroom buildings, men's and women's residence halls, a library, sports and recreation center, student center, international academic center, University Club gourmet dining facility, fitness center, auditorium, chapel and dining hall, all of which are air conditioned. In addition, Lynn University's campus also features tennis, basketball and volleyball courts, an outdoor swimming pool, and soccer and baseball fields. All of this is located on only three miles from the Atlantic Ocean.

Lynn University is also proud of its reputation as one of the safest university campuses in the country.

About Boca Raton...

Located on Florida's exclusive "gold coast," Lynn University is situated between Palm Beach and Fort Lauderdale, in the heart of Boca Raton, which offers a cosmopolitan atmosphere with hometown appeal. The fast-growing city attracts Fortune 500 companies, including IBM, Motorola, Sensormatic, and Siemens, providing excellent internship and employment opportunities. Transportation is also easily accessible with Boca Raton centrally located in close proximity of three international airports.
